

Dear DKG members,

Our next GLP working group meeting is 10-May-2016, 14.30-16.00.

Location: Novo Nordisk A/S, Krogshøjvej 55, 2880 Bagsværd, meeting room 9BS33.

Just join us if you have time and interest in the meeting i.e. there is no need to mail back whether you come or not.

If any one would bring a cake, then it will be very much appreciated!

**Go to the reception in NN1, which is the big, round, white building just across the street. We will meet there at 14.15, get guest badges and go together to the meeting room.**

Agenda:

- 1: 2nd EU QA conference Nice - high lights and key points
- 2: Relevant documents from Authorities since last meeting
- 3: Questions
- 4: Inspections since last meeting

Ad. 3) If you have a GLP relevant question you tumble around with, then this is your great opportunity to get a brain storm from your peers. You just ask your question and then we talk around the table about it. Hopefully this will give you input to bring back home in your company.

Ad 4) If your company has had GLP inspection since our last meeting, then we would like to hear about it.

I look very much forward to talk with you all and have a really interesting working group meeting!
